BOOKING

Terms and Conditions

All offers, prices and party dates are subject to availability and must be pre-booked and paid in advance. Due to current demand, we are unable to 'hold' space on a provisional basis.

Prior to December 1st 2026 it is possible to secure your places with a non-refundable deposit of £20 per person. Full and final payment will be requested by Tuesday 15th December 2026.

All pre-payments on all Christmas events are non-refundable and non-transferable and cannot be used to offset against other items or services.

All accommodation rates are subject to availability – book early to avoid disappointment. All advertised prices are correct at the time of production.

All events are subject to the Hotel's general events terms and conditions.

We cannot guarantee requested seating plans can be accommodated although we will always endeavour to meet your request. We will discuss these details with you closer to the time. Smaller parties may require to share a table.

There is no formal dress code for Christmas party nights, but most guests choose to come in party wear.

It is not permitted for any of your guests to bring in any of their own beverage and only guests of 18 years and over are allowed entry. Please do not book tickets for guests under 18 years of age as they will not be permitted, and the guest will not be able to attend.

Beverages may be pre-ordered for the event – you will receive details of how to order these approximately six weeks before the party night, via email.

While we aim not to have to do so, we may be impacted by supplier issues and therefore we appreciate your flexibility if we must substitute a menu item or beverage item.

We do require, and will ask for, all food allergy and intolerance information for any attendee at the event which you have booked tickets for 14 days prior to the event. Please note that our kitchens are not 100% nut-free environments.

As the main point of contact for the booking, you are responsible for gathering and providing this information to the hotel in the timeline requested. Extra guests joining the party after the meal has concluded are not allowed.

All prices include VAT at the current rate. VAT receipts will be available on request after the event.

Drinking responsibly, behaviour and conduct is taken seriously, and the hotel has a legal responsibility to ensure that licensing conditions are complied with. This includes suitable and sufficient controls in relation to the service and consumption of alcohol. The client will therefore be responsible for any losses, damage or other costs associated with drunkenness, unruly behaviour or conduct.

It is anticipated that the event can go ahead without any restrictions on the hotel being able to supply the event. However, should emergency laws or restrictions preclude the Hotel from being able to host the event in its entirety, the client would not be bound by the above terms and conditions and the Hotel would make contact to either re-arrange to an alternate date or refund monies paid. Should the Hotel be able to continue to host the event, but the client chooses to cancel or amend their booking, then the above terms and conditions would apply.

The Hotel reserves the right to adjust pricing for new bookings in the event of increases in operational or supplier costs, or other external factors beyond our control. Confirmed bookings will not be affected.
